

# SPONSORSHIP PROSPECTUS

Spring Conference 2023

DALLAS, TEXAS

**TRIGILD**

LENDER CONFERENCES

# OUR CONFERENCES

**T**he Trigild Lender Conference is the industry's longest-running conference focused on issues related to non-performing commercial loans. The Spring conference in Texas is now in its 10th year, and the Fall conference in California is in its 21st year.

**Our conference includes dynamic speakers, industry pioneers and valuable analysts discussing emerging issues and creating an unmatched experience for our attendees.**

As a sponsor of the Trigild Lender Conferences, you benefit from premium exposure to a hard-to-reach, influential group — commercial lenders, special servicers, bondholders, hedge funds, private equity funds, distressed note buyers, portfolio buyers, legal counsel, and others handling distressed commercial loans.

Our sponsorships are designed to help you achieve the highest possible ROI. Whether your objective is to showcase your services, grow your prospect list, build industry relationships or promote your thought leadership, there is a sponsorship opportunity for you.
